To All Unite the Union and RMT Offshore Caterers

Dear Brothers / Sisters

COTA Wage Negotiations 2009/10 update

We write to you to confirm that on Friday the 31st of October we formally raised with COTA the matter of this years wage negotiations.

The HR representatives present at Fridays meeting will now raise the matter with each of the COTA employer's respective Managing Directors and then respond to us.

We will keep our joint membership fully informed of any update at the earliest opportunity.
