PERMIT TO WORK QUESTIONNAIRE

How many installations have you worked on in the past year?	
How many permit systems have you worked with in the past year?	
Do you use a permit system onshore as well as offshore?	YES/NO
Do you consider the permit training you receive to be adequate for you to work safely?	YES/NO
Do you have any suggestions as to how the training in the PTW could be improved?	
What is the best feature of the PTW you are most familiar with?	
What is the worst feature of the PTW you are most familiar with?	
What single change do you believe would improve the PTW system you use most?	

<p>Would you like to see the “housekeeping” and PPE items (ie: keep the floor clean, clean up any spills, wear a hard hat, eye protection etc) removed from permits? These items would still be covered in the core training and tool box talk.</p>	<p>YES/NO</p>
<p>Have you any personal experience of a dangerous event occurring as a result of a failure with the permit or isolation system?</p>	<p>YES/NO</p>
<p>Do you have any suggestions as to how the event you experienced could be prevented?</p>	
<p>Does your organisation have sufficient monitoring arrangements in place? For example, how do they audit permit to work systems on installations?</p>
